### **Tongcheng-Elong Selected as a Constituent Stock in the Hang Seng TECH Index**

(July 21, 2020 – Hong Kong) **Tongcheng-Elong Holdings Limited** (“**Tongcheng-Elong**” or the “**Company**”, stock code: 0780) is pleased to announce its inclusion as a constituent stock in the Hang Seng TECH Index, which will launch on 27 July 2020 (Monday).

The index universe covers Hong Kong-listed companies that have high business exposure to selected technology themes, including internet, fintech, cloud, e-commerce and digital activities. After screening, the top 30 stocks in terms of market capitalisation will be selected as index constituents. The Index aims to reflect the performance of sizeable companies in this sector, and it is expected to join the Hang Seng Index and the Hang Seng China Enterprises Index to become one of flagship indexes.

Mr. Ma Heping, the Executive Director and CEO of Tongcheng-Elong, said, “ It is a great honor to be selected as one of the constituent stocks in Hang Seng TECH Index, which represents the market recognition of Tongcheng-Elong’s business performance as well as growth prospect. We believe that the inclusion will further enhance the Company’s profile in the capital market. Leveraging on our diversified and cost-effective traffic sources, we will expand our user base and further penetrate into the travel market in China. Meanwhile, we will optimize our products and services with innovative technologies and improve our users’ travel experience to build a more efficient travel ecosystem.”
